I can't believe that I waited so long to write a review for Miracle Dental! I have been a patient for a couple of years, and I can't say/write enough praise for Dr. Yee and his staff. They are super professional, put you at ease, and are very efficient. The office is thoroughly modern with current equipment, clean, bright and pleasant. As one who never really had a good dentist or really good experiences at the dentist, finding Dr. Yee was been the best thing for me. I no longer dread going for check-ups or routine work - I actually look forward to it! Also, the office schedules appointments realistically and I've never waited more than a couple of minutes. In fact, most times, I am taken right in. A+ all around! ([Hide](#))

They are so pleasant and understanding if you're nervous! Their office is very clean and they offer television while you're getting worked on. Take it from someone who was extremely (cannot emphasize enough!) nervous, they made the visit so pleasant that it instantly made my phobia disappear. ([Hide](#))

I was in last weef for my usual checkup and cleaning. I just wanted to tell you how pleased I was with Marta. She was so fast, efficient, and professional that I hardly realized she was working on me and it was done in no time. Quite different from previous experiences with other hygienists who spend most of an hour bringing me up to date on their children. Congrats on hiring a great person. Keep up the good work. Hi there,I just wanted to let anyone out there know that Dr. Yee is an amazing dentist! Because of terrible experiences in the past, I had been putting off going to a dentist for many years... However, Dr. Yee has changed my opinion about dental visits and care! He explained everything clearly and kindly and has redefined what a dentist can be to me. My whole family will most certainly be life long patients!Thank you so very much,Alecia Baker ([Hide](#))

I had a horrible experience with a dentist as a child and have a true phobia of dentistry, so I am very careful with whom I will allow to care for my teeth. After moving to the Hunterdon County area, I was forced to switch from a dentist with whom I had become comfortable. I came across Miracle Dental and decided to give them a try. I made an appointment with Dr. Nizami and was extremely pleased. She was gentle and thorough during the cleaning and was wonderful when I needed to have additional work done to replace a filling. I require a lot of anesthetic to numb my mouth/teeth enough to allow for procedures. She was very patient and careful in making sure I was completely numb before proceeding, no matter how long it took. I didn't feel that she was rushing me or the procedure and was very pleased with the painless result. She and the rest of the staff were very sweet, yet professional. Fantastic experience ... I highly recommend them!! ([Hide](#))

I have been putting off going to the Dentist for years, but after having an appointment with Dr Yee, I am kicking myself for not going sooner. The minute I walked in the door, I felt very calm and relaxed. Dr Yee and his staff are very welcoming and make you feel right at home. The office is immaculate and Dr Yee is very personable and friendly. My experience was FANTASTIC! Need I say more! ([Hide](#))

I am very impressed with Dr. Nizami, who is Dr. Yee's newest associate dentist. I love Dr. Nizami's calming and poised demeanor and especially the gentleness of her dental work on me. She was very patient and understanding with my children who are absolutely comfortable with Dr. Nizami. It is so comforting to know that Dr. Yee has added this wonderful caring dentist to his already friendly and caring staff. I do believe that here at this office, miracles do happen and highly recommend this office to any one looking for a fantastic dental experience! Bravo! Thank you to Dr. Nizami, Dr. Yee, Nicole, and Carlise! ([Hide](#))

Excellent service. Great office (you can watch TV while you get your teeth cleaned!) Super high tech. Dr. Yee is very knowledgeable and explains what he's doing while he does it. I learned more about my teeth from him than any dentist I've been too. Thanks for making getting my teeth cleaned as pleasant as it could be... ([Hide](#))
