The best decision I ever made!

I used to be afraid of dentists till I met Dr. Yee. I forgot I was even at the dentist. Plus, the office atmosphere is very warm. I also like how he explains things in detail. Thank you for everything. He's the best dentist ever.

Best of all the dentists I have been with! Honest, Professional, painless, and quick, Thumbs up!

A very modern and newly opened dental office. Dr. Yee was fantastic, painless, quick and a genuinely nice guy. He is a very gentle and patient dentist. The office is small and personable; equipment new;it is such a clean and colorful office. I never had to wait long in the waiting room. I was brought in immediately!. Even if I had to wait, where else can one actually sit in a waiting room and can sit on a countertop and surf the web on a computer made readily available to you! If you would like more information on this office, just click [miracledentalcare.com](#), the office's website. I highly recommend Dr. Yee of Miracle Dental Associates to anyone. Go there and experience the difference yourself! [\(Hide\)](#)
